Physhical Eduaction

Al-Azhar University

2020-2024

SUMMARY

Resourceful Front End Web Developer bringing in-depth knowledge of the latest technology trends to produce clean website design. Experience handling complex HTML and CSS coding, design, and extensions to meet the organization's front-facing internet needs. Detail-oriented collaboration with others to define project expectations and demand. Hands-on testing and debugging to address inconsistencies and maintain performance thresholds.

WORK EXPERIENCE

Cashier   2020-2021

Brooklyn restaurant

- Helped customers complete purchases, locate items and join reward programs.
- Welcomed customers and helped determine their needs.
- Restocked and organized merchandise in front lanes.
- Helped the new team members.

PROJECTS

- **Crwn-store: A react project that shows my skills in React.js.**
- Preview online: https://crwn-online.netlify.app/
- GitHub: https://github.com/OsamaHIma/clothing-store
- Youtubey: My first kinda full website I ever built got my hand on how to use bootstrap and be comfortable with it and how to link multiple HTML files and how to use JQuery. https://youtubey.netlify.app/
- Fiber: A sample modern landing page the goal of this project is to practice Bootstrap. https://fiber-com.netlify.app/
